

June 25, 2020

Dear Labor Leader,

After much discussion and all the uncertainty with the upcoming months the United Labor Committee (ULC) has decided against planning for a Labor Day parade. This decision was not made lightly but the ULC feels the safety and well-being of the community must be considered. The ULC will continue to monitor the situation and if the opportunity avails itself may decide to hold an event to honor the working men and women of Toledo.

In solidarity,

A handwritten signature in black ink that reads "Kevin Dalton". The signature is written in a cursive, slightly slanted style.

Kevin Dalton
Executive Secretary
Greater Northwest Ohio AFL-CIO
